

1. About the Senior Telephone Discount Program (STDP)

The STDP discount is a state benefit that lowers the monthly cost of phone service.

Rules

If you qualify, your household can get the Senior Telephone Discount Program (STDP) for your phone. Your household cannot get STDP from more than one phone company.

You are only allowed to get one STDP benefit per household, **not per person**. If more than one person in your household gets STDP, you are breaking the rules and will lose your benefit.

What is a household?

A household is a group of people who live together and share income and expenses (even if they are not related to each other).

Do not give your benefit to another person

The STDP is non-transferable. You cannot give your STDP benefit to another person, even if they qualify.

You must give accurate and true information on this form and on all STDP related forms or questionnaires. If you give false or fraudulent information, you will lose your STDP benefit (i.e., de-enrollment or being barred from the program).

Documentation of Eligibility

You will need to show an official document to prove your annual income. You must submit copies of your official documents with this application.

Provide a copy of one of the following:

- Last year's Federal or State Income Tax Return
- Current Annual Income Statement from Employer
- Paycheck stubs or other official document containing income information for any three consecutive months within the last twelve months
- Social Security Statement of Benefits
- Veteran's Administration Statement of Benefits
