Description of Network Changes Planned:

CenturyTel of Montana and United Telephone Company of the Northwest intend to retire the copper facilities at the addresses noted in Attachment A in the area(s) listed above. The Companies are undertaking this copper retirement because there are currently no working circuits on these facilities.

Description of the Reasonably Foreseeable Impact of the Planned Changes:

After this retirement, copper facilities at the addresses noted in Attachment A will no longer be available. The Companies' records indicate that there currently are no retail or wholesale circuits in use on these copper facilities.

At this time, The Companies have not deployed facilities to replace the copper facilities being retired. The Companies will assess the need for such replacement facilities going forward, as necessary.
